

A message to our customers about COVID-19

The COVID-19 pandemic is impacting the lives of our customers, communities and neighbours.

The most important thing we can all do, is stay healthy.

A range of different procedures have been implemented by us to ensure, we remain Covid Safe.

Our tours, event registrations and check ins have always been contactless, in fact, our Ride Coordinator designed and delivered the first approved paperless registrations and contactless check in system that was approved for use by MA.

With the majority of our events and associated activities being outdoors, we've been fortunate enough to transition into this new 'normal' quite easily.

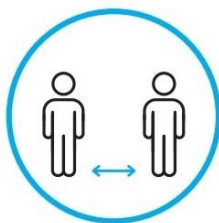

Outside of any restrictions, NSW Health has approved us to run at full capacity, although accommodation and use of other venues will be determined by the changing Public Health Orders.

We base our decisions to continue or reschedule any listed events based on the advice of NSW Health and ensuring we keep working towards a strong, sustainable and healthy business for our customers, communities and stakeholders.

If an event is rescheduled, altered or changed due to Covid, we'll be sure to let you know.

At anytime you have any questions, please contact us at admin@ride360.org

When attending our events.

Follow physical distancing guidelines.

Wash hands and use sanitiser.

Look after the wellbeing of staff and customers.
